To MESSES, P. H. DRAKE & Co., New York: GENTLEMEN: I regret to inform you that the twelve cases of Plantation Bitters found on board the Ariel, consigned to H. Cordova & Son, Panama, will not be likely to reach their destination, having been transferred to my vessel. Having procured one case while at the Island of Martinique, its bene-ficial effects in my hospital room and in caring the scurvy. was such as to render it too desirable an acquisition to pass, particularly as it was evidently intended for the South from

the name Plantation. Rest assured, sire, I trust you will not all to freight each vessel likely to cross my path with the

Plantation Blitters, and I will guarantee to place a case in the hands of President Davis before the 4th of March.

I have the honor to remain, respectfully, yours, RAPHEAL SEREES. The undersigned are exceedingly obliged to the gallens captain for such a capital advertisement, and will assure him that, should be happen to visit Fort Lafayette, we will ouderwor to reciprocate his politeness with a case of S. T.—1869.

-X., warranted to cure the enum.

The above is but a sample of the miscellaneous and widespread fame of the Plantation Bitters. No article before ever performed so many cores or gave such perfect satisfaction. They are just the thing for the weak, debilitated and careworn of all sges and conditions of life, acting as a gentle stime

ant and thorough touic.

They purify, strengthen, and invigorate. They create a healthy appetite.

They are an antidote to change of water and diet. They overcome effects of dissipation and late hours. They strengthen the system and enliven the mind. They prevent missenstic and intermittent fevers. They purify the breath and acidity of the stomach They cure Dyspepsia and Constipation.

They cure Diarrhes, Cholers, and Cholera Merbus.

They cure Liver Company Sold by all dealers everywhere. P. H. DRAKE & CO., Naw-Y
